

The illustration features a central white hexagon containing the text 'Semaine de la sécurité des patients'. Surrounding this hexagon are four circular icons: a blue folder with a white cross, a blister pack of pills, a syringe, and a network of nodes. The background is a vibrant orange with white dotted lines and geometric shapes. At the top, three healthcare professionals (two women and one man) are shown; one woman holds a tablet with a cross. At the bottom left, two men are depicted, one pointing. At the bottom right, a woman in a white lab coat is writing on a clipboard while talking to an elderly woman in a yellow top.
